Supplier will invoice Microsoft using SupplierWeb (microsoft.com). The Microsoft invoicing process is an electronic invoice submission process. SupplierWeb is a web-based application, provided by Microsoft to its payees, which allows payees to submit electronic invoices directly to Microsoft. The SupplierWeb tool supports electronic invoice submissions via direct entry or through OneClick Invoice upload, a cutting-edge AI solution that revolutionizes the way we do modern day invoicing. Please ensure there is only one Purchase Order per invoice.

In the event the payee is unable to submit invoice/(s) via SupplierWeb, payee can get help from Finance Digital Assistant (FDA) using the "I need help!" button at the bottom right corner of the screen or open a ticket with Microsoft Accounts Payable.
